# Bicycle touring

## READY TO HIT THE ROAD!

Do you feel like living a fascinating cycling experience, challenge yourself and climb through magnificent landscapes? Follow the guide!

## An exceptional experience.

We offer you a wide choice of bicycle routes, each one more beautiful than the others In an exceptional setting, ideal to recharge your batteries.

Located in the heart of Savoy, the Hameau de Mercandou gives you a direct access to unique touring terrains, including various legendary passes, regularly used by the Tour de France.

It also offers you a wonderful escape to take a break: 3 prestigious chalets to rent separately or combined with one or the others for a unique, atypical and unusual experience to share with your family or your friends.

## Comprehensive tailored service & assistance.

We provide **the complete organization** of your stay and ensure high-end service which will exceed your expectations.

- Combine exceptional climbs and top-of-the-line service
- Take advantage of our services, organization and assistance
- Share with your family or friends an exceptional setting just for you
- Enjoy pure moments of relaxation: swimming pool, nordic bath, massage, south-facing terrace
- Recharge your batteries with this unforgettable break, tailor-made and (dis) connected

# Excellence & fantasy

## THE SPIRIT OF MARCANDOU

Discover "Marcandou": a culmination of the epic adventures of **Marc** Lazzaroni (Certified UIAGM Mountain Guide) and the insatiable passions of **Candice** Pinoncely (event production manager and expedition coordinator).

### Natural source of exceptional emotions.

The spirit of Marcandou is characterized by its **authenticity** and its **top of the line quality standards**, as well as its **fantasy**.

From Greenland to Antartica, from Kamtchatka to Patagonia, Marcandou's signature agenda **spells excellence** in all its operations, from its Marcandou Worldwide packages to its **chalets of unique character** available for rent in the Hameau de Marcandou in Courchevel Village.

### A heavenly peaceful and voluptuous gateway.

Marcandou displays its **magical assets** with a touch of the **extraordinary!**

A unique setting

## LE HAMEAU DE MARCANDOU

- **1 hour drive from Chambéry gare station.**
- **2 hours drive from Geneva or Lyon-St-Exupery airports.**
- Located in **Courchevel Village** (1550m altitude).
- A **prime estate** created in 2014 on a family piece of land.

## A successful combinaison of « nature & exception ».

Ready for a timeless trip ? come and discover the Hameau de Marcandou, a prime estate in the French Alps, where the soul of the mountains flirts with **the very authenticity of Courchevel.**

- **10 ensuite bedrooms** housed in 3 exceptional chalets.
- **3 unique atmospheres** specific to each chalet.
- An oversized living area with bar & fireplace where all guests can **meet together.**
- **Various relaxing and escape areas** : 2 heated swimming pools (1 in/out + 1 outdoor), steam room, nordic bath, relaxation/massages area, south-facing terraces, garden.
- **Unobstructed views** of surrounding mountains.
- Wide openings **to fully enjoy spectacular views.**

**You find yourself in another world.**

# The fantastic gem **SISIMIUT CHALET**

- A **400m<sup>2</sup>** chalet on 3 floors.
- **5 ensuite bedrooms.**
- 10 to 14 guests.
- A 45 m2 living room with fireplace and bar.
- Dining room up to 20 guests.
- **In/out swimming pool** (7x3m).
- Relaxing area, steam room, massages.

## Exceptional comfort.

Guests are inevitably struck by **the size of its living area** and the **spectacular view of surrounding mountains**.

The second chalet built in Le Hamau de Marcandou, Sisimiut reveals a subtle combinaison between **precious materials, traditional coverings** and objects unearthed from **all over the world**. It brings **imaginary landscapes**, and verdant sceneries together beautifully, further overwhelming the senses.

## A wonderfly poetic universe.

This **phenomenal chalet** provides an **unforgettable felling of well-being**. Each of its 5 bedrooms is simply marvelous.

From one room to another, **perspective effects** and **coulour harmony display their wonders** in an elegant and cosy atmosphere.

# The fabulous cocoon

## ILULISSAT CHALET

- A **145m<sup>2</sup>** chalet on 2 floors.
- **3 ensuite bedrooms** and a TV room convertible into a 4th bedroom.
- 6 to 8 guests.
- Steam room.
- 2 south facing terraces.
- **Heated outdoor swimming pool.**

### Heavenly comfort.

First chalet built in the Hameau de Marcandou, Ilulissat illustrates its singularity in a **cosy spirit** where each room reveals its strong personality. The materials are **precious**, the coverings **traditional**, and the objects often repurposed. Opulent textures and raw finishings merge together beautifully to create **this magical space**.

### A unique bliss.

The **refined spaces** of Ilulissat give an incredible sensation of **cocooning in the middle of the woods**. Every detail has been carefully thought out to tantalise the emotions by real feeling of **warmth, intimacy** and **share** of memorable moments by the fireplace.

# The cosy nest

## IKAMIUT CHALET

- A **85m<sup>2</sup>** chalet on 2 floors.
- **2 ensuite bedrooms** and a convertible sofa in the living room.
- 2 to 6 guests.
- Outdoor **nordic bath**.
- Terrace.

## Ideal comfort.

Our latest chalet in the Hameau de Marcandou, Ikamiut is a **cozy cocoon** in which the furniture and style build bridges between the past, the present and the future. Crafted down to the finest details, Ikamiut gets beyond the traditional Alpine style while retaining its **warmth** and **proximity with nature**. Wide openings offer a permanent and **constant changing spectacle** of the mountains.

## A fabulous experience.

Design furniture along with **unique objects added here and there**, a wide range of materials, combining refined and raw features, period and modern pieces, are successfully combined together to create a **feeling of perfect harmony with a hint of fantasy**.

# A unique and flexible room

## BARN NUUK

- A **20m<sup>2</sup>** flexible space.
- A large bench seat.
- Tables and chairs
- Fireplace.
- Equipped kitchenette (refrigerator, dish-washer, dishware...)
- Video projection system.

## Best in class features.

Our latest facility created in Hameau de Marcandou, NUUK barn has been designed to provide **a space dedicated to your meeting requirements, as well as “wellness” experiences**, including yoga lessons, stretching... by a fireplace!

While retaining the very soul of Hameau de Marcandou, **the area delivers the best in class features** catering for your requirements, including efficiency, convenience and user-friendliness..

## Panoramic views over surrounding mountains.

**Vast openings** offer a **permanent view of surrounding mountains**, and give the feeling of being outside while being inside !

A **cosy atmosphere** enhanced by its unique furniture and design ideal to foster your work meetings as well as your fitness activities. Everything has been carefully thought-out to provide **the ultimate experience** in terms of total escape.
